

Beckon Scientific Moves Corporate Headquarters to New Location in Support to Continued Business Expansion

MIAMI, Florida (October 1st, 2013) –Beckon Scientific, pharmaceuticals and medical devices company, is pleased to announce that is has moved its corporate headquarters to a new location in Miami, Florida. This is a strategic move to support Beckon’s product and regional expansion initiatives.

The Beckon initiative sparked from the need to improve the healthcare value chain. With growing global healthcare demand, Beckon Scientific aims to make quality care accessible by providing superior products and services with stream-lined efficiency.

Beckon Scientific mission is to develop and produce quality pharmaceuticals and medical devices products by streamlining the supply chain and providing superior customer service in order to transform the standard of healthcare delivery with reduced cost and improved quality of care.

“We could not be more proud of our team and the success the expanded space represents for us and for our business, as we continue to release new products that positively impact costs, quality and affordability of care, said Magin Blasi-Blanchard, President and CFO.”

As of October 1st, 2013 Beckon Scientific new address is 703 Waterford Way Suite 550, Miami, Florida 33126.
